Highways Agency Vision 2030

Funding: National (United Kingdom)
Duration: Apr 2001 - Jun 2003
Status: Complete

Background & policy context:
To develop visions for the mobility of people and goods in 30 years' time and therefore provide insight to key instigators for change, for the role of inter-urban roads beyond current planning cycles.

Objectives:
The objectives are:

- to identify the potential roles of Strategic Highways, to meet the future mobility needs of goods and people.
- to seek opportunities to influence the long-term agenda for Strategic Highways.
